- 3. “Training of trainers and facilitators” held by(World Health Organization)Management Effectiveness Program .NPMC. Tabrriz-Iran-2002*

4. “Managing and leading successful change” held by: (World Health Organization)Management Effectiveness Program .NPMC.Tabriz-Iran-2002

5. Curriculum planning held by: (education development centre,EDC,Tabriz,Iran)

6. Student assessment methods held by: (education development centre ,EDC, Tabriz, Iran)

7.Certificate course on: Health management, planning and policy held by: University of LEEDS, Nuffield institute, UK(2005)

8.Medical education:curriculum planning(CPC) held by: Tabriz university of medical sciences and Calgary university ,Canada, (Professor HARRASIM)

9. Assessing outcomes in medical education. Held in: 4th Asia Pacific Medical Education Conference.Singapore(2007)

10. Outcome –based curriculum planning. Held in: 4th Asia Pacific Medical Education Conference. Singapore (2007)

11. Assessment for medical ethics. Held in: 4th Asia Pacific Medical Education Conference Singapore .(2007)

12. Teaching Evidence-based Medicine(By Prof. Gordon GUIATT.2007,Singapore

13.Total Quality Management Workshop. Held in Tabriz University of Medical Sciences

14. Developing Clinical Practice guidelines.Sigapore 2007

15. Evidence-based medicine(An advance course). Taiwan.2008

16.Research in Medical Education. Held in Ministry of Health and Medical Education.Tehran/Iran.2008

17.Teaching Evidence-Based Medicine. Held in Center for EBM . Oxford University. 2008

18. Graphic Appraisal tool for Epidemiology(GATE) by: Prof. Rod Jackson. Tabriz University of Medical Sciences.2009

19.Scholarship of Teaching. Ministry of Health and Medical Education . Tehran. Iran. 2009

20. Inter-professional Education by Prof. Merylin Hammick. Iran University of Medical Sciences- Tehran-Iran.2009

21. Best Evidence Medical Education(BEME) Iran University of Medical Sciences- Tehran-Iran.2009

*22.Teaching Evidence-based Medicine.Tabriz University of medical Sciences in Oxf
Ord CEBM. 2010*

REVIEWER:

Methodology Reviewer, Medical Journal of Tabriz university of medical sciences,

2005-present

Iranian Journal of Medical Sciences,2009-present

Nursing and midwifery journal of Tabriz University of medical Sciences(2008-present)

Iranian Journal of Medical Education(2008- present)

FIELDS OF WORK:

A- Teaching

- 1. Principles and methods of epidemiology*
- 2. Health system and clinical research*
- 3. Communication skills in health and medicine*
- 4. Family health*
- 5.Epidemiology and prevention of disease*
- 6. patient education and counselling*
- 7.Evidence –based medicine*
- 8. Health management and planning*
- 9. Medical Education subjects*

A-1: CME and workshop teaching

- 1. Acute respiratory infections of children WHO program(IMCI) . For general practitioners . Jan .2001*
- 2.Health System research for insurance company staff. NPMC July 2002*
- 3. Patient –doctor relationship for faculty member. EDC –Tabriz-Iran Nov.2003*

- 4. Clinical research workshop . For Tabriz university of medical sciences residents. Deputy of research Sep.2004*
- 5. Patient-Doctor relationship. For Tabriz university of medical sciences residents. EDC. Sep.2004*
- 6. Healthy life skills .for general practitioners. EDC Oct.2004*
- 7. Health system and clinical research . for medicine and dentistry students. Deputy of research. Dec.2004*
- 8. Evidence Based Medicine, for faculty members and residents of medical faculty*
- 9. Outcome-based curriculum planning for faculty members, EDC Tabriz, 2004*
- 10. Student assessment methods, for faculty members , Tabriz, EDC ,2006*
- 11. Student assessment methods, for faculty members , Orumiyeh, EDC ,2006*
- 12. Certificate of facilitation in OXFORD CEBM workshop on Evidence-based medicine (Sep. 2008)*
- 13. Teaching Methods, Curriculum Planning and assessment in medical education for MSc of medical education students*
- 14. Scholarship of teaching 2009 till present (8 workshops) in Tabriz and Kermanshah*
- 15. Evidence based medicine (2005 till present) for Tabriz , Kermanshah for more than 6 workshops)*
- 16- Monitoring and Evaluation workshop for health system managers (NPMC 2005)*
- 17. Scientific writing for Msc students*
- 18. Doctor – patient relationship workshop National conference of North-West physicians, Tabriz-Iran- 2011*

19. Social accountability of medical sciences universities.12th congress of medical education. Mashad Iran,2011

B.Research

B.1: Fields of research

1- Prevention of disease (Primary and Secondary)

2- Women health

3- Adolescence Health

4-Family planning

5- Medical and health education

6- Health system management

7- Doctor-patient relationship

8-Epidemiology of disease

9-HIV/AIDS prevention

C.2: Articles

1. Perinatal care in women of North-west region of Tabriz

Alizadeh M. Nikniaz A. Shaghaghi Ar. Farahbakhsh M.

Medical Journal of Tabriz university of medical sciences and health services ,suppl,59,2003
