

TABRIZ UNIVERSITY OF MEDICAL SCIENCES

CURICULLUM VITAE

Hanieh Salehi-PourMehr

Research Assistant Professor of Neuroscience-(Neuro-urology)

1. Personal information

Academic position	PhD by research of Neuroscience (Neuro-Urology) (Tabriz University of Medical Sciences) Bsc, MSc in midwifery (Tabriz University of Medical Sciences)
Address:	Research Center for Evidence-Based Medicine, Tabriz University of Medical Sciences, Tabriz, Iran.
Tel:	+984133342219
Fax:	+984133342219
Email:	poormehrh@yahoo.com , salehiha@tbzmed.ac.ir

2. Thesis

• **PhD Thesis**

The impact of mesenchymal stem cell in treatment of experimental model of neurogenic bladder

• **MSc Thesis**

The association between consumption and serum level of folic acid with preeclampsia in pregnant women referring to Al-Zahra educational center of Tabriz, Iran

3. Books

1. Mirghafourvand M, Farshbaf A and **Salehi Pourmehr H**. Managing puerperal sepsis. Education material for teachers of midwifery: Midwifery education modules - second edition (Translation).
2. Mirghafourvand M, Farshbaf A and **Salehi Pourmehr H**. Managing incomplete abortion. Education material for teachers of midwifery: Midwifery education modules - second edition. (Translation).
3. Mirghafourvand M, Farshbaf A and **Salehi Pourmehr H**. Managing eclampsia. Education material for teachers of midwifery: Midwifery education modules - second edition (Translation).
4. Farshbaf A, Shahabi P, **Salehi Pourmehr H**, Malakouti J, **Mirghafourvand M**. Managing postpartum Hemorrhage. Education material for teachers of midwifery: Midwifery education modules - second edition (Translation).
5. Mirghafourvand M, Farshbaf A and **Salehi Pourmehr H**. Education material for teachers of midwifery, Foundation module (The midwife in the community). Midwifery education modules - second edition (Translation).
6. Mirghafourvand M, Farshbaf A and **Salehi Pourmehr H**. Managing prolonged and obstructed labour. Education material for teachers of midwifery: Midwifery education modules - second edition (Translation).
7. Farshbaf A, Hajizadeh KH and **Salehi Pourmehr H** WHO guideline for screening and treatment of precancerous lesions for cervical cancer prevention (Translation).

4. **Approved proposals**

1. The association between pre-pregnancy obesity with screening results of pregnancy and post-partum depression & anxiety in women referring to health centers of Tabriz, 2012-2013.
2. The Effect of Peers Support on Postpartum Depression: A Single-Blind Randomized Clinical Trial
3. Comparison the results of pap smear and direct visual inspection (DVI) with 5% acetic acid in cervical cancer screening

4. The effect of perinatal fish oil supplementation on perinatal and postpartum depression: a randomized controlled trial
5. Effectiveness of peer group education on Knowledge, attitude and choice of delivery mode in primyiparous referring at Boukan Health centers: A randomized controlled trial
6. Systematic review and meta-analysis of neurogenic bladder treatment methods in parkinson disease
7. Design and farication of an animal urodynamics device (**Technological project**).
8. The impact of Mesenchymal stem cell in treatment of experimental model of neurogenic bladder
9. Knowledge of Human Papillomavirus and its Incidence Among Women Referring to Al-Zahra and Taleghani Hospitals in Tabriz-Iran, 2014-2015.
10. Effect of supplementation with aroma essential oil of lavender-bergamot, and counseling based on mindfulness on serum levels of cortisol, dehydroepiandrosterone, hs-CRP, and pro-oxidant antioxidant balance in postmenopausal women with mild to moderate anxiety: A randomized controlled trial with factorial design.
11. Frequency of genetic polymorphism in postmenopausal women with and without primary osteoporosis:a case-control study.
12. A comprehensive visual report for the urodynamic studies in rats.
13. Systematic review and meta-analysis of the effect of stem cell therapy in treatment of neurological disease- induced neurogenic bladder.
14. Systematic review and meta-analysis of neurogenic bladder treatment methods in parkinson disease
15. Quality assessing of RCTs in Cochrane Prostatic Diseases and Urologic Cancers Group systematic reviews: a systematic review.
16. Quality assessing of RCTs in Cochrane kidney and transplant Group systematic reviews: a systematic review and meta-analysis.
17. Quality assessing of RCTs in Cochrane Gynaecological Cancer Group systematic review: a systematic review and meta-analysis.
18. Efficacy of Solifenacin and trospium chloride on neurogenic bladder after stroke: a multicentric three arms placebo-controlled trial.
19. Lower urinary tract dysfunction with SARS-CoV-2 infection.

20. The effect of sericin on neuronal function in rats with underactive bladder following lumbar canal stenosis
21. Vaginal sacrospinous ligament fixation versus abdominal sacrocolpopexy with PRS mesh for the treatment of apical vaginal compartment: A retrospective case series
22. The investigation of the effect of mesenchymal stem cells in the treatment of an experimental model of the underactive bladder following spinal canal stenosis
23. Diagnostic accuracy of urinary nerve growth factor level as a biomarker in detrusor overactivity of women with mixed urinary incontinence
24. Sensitivity and specificity comparison of Chest CT and RT-PCR for COVID-19
25. Evaluation of the effect of cerebrolysin on the spinal cord neural stem cells behavior, reconstruction and functional recovery in the rat model of spinal cord injury
26. The effect of supplementation with selenium-enriched *Saccharomyces cerevisiae* yeast, vitamin E, and combination of yeast-vitamin E compared with placebo on serum indicator of pro-oxidant-antioxidant balance, depression, and sleep quality scores in people with diabetic peripheral neuropathy: A factorial randomized controlled clinical trial
27. The effect of supplementation with selenium-enriched *Saccharomyces cerevisiae* yeast, vitamin E, and combination of yeast-vitamin E compared with placebo on glycemic markers and quality of life in people with diabetic peripheral neuropathy: A factorial randomized controlled clinical trial
28. The association of glycemic control indices (FBS, IR, HbA1C) with serum pro-oxidant-antioxidant balance status, quality of life, and depression scores in patients with diabetic peripheral neuropathy
29. Validity and reliability of the Persian version of the 3-day bladder diary questionnaire in a sample of Iranian patients with lower urinary tract symptoms
30. Urinary microbiome in multiple sclerosis induced neurogenic bladder
31. Consequences of covid-19 in patients with heart failure:a systematic review
32. Suicide prevention strategies in inpatients worldwide: A systematic review
33. Risk factors of suicide among inpatients worldwide: A systematic review and meta-analysis

34. effect of cerebrolysin on neuronal stem cell proliferation and TNF- α in the rat model of spinal cord injury
35. Effect of supplementation with Baicalin on improving of clinical and para-clinical symptoms in patients with COVID-19 :A Randomized Controlled Trial
36. The effect of orange peel on anxiety, depressive-like behaviors, hippocampal oxidative stress markers in mouse model of chronic restraint stress
37. Efficacy and Cost effectiveness of (Sacubitril and valsartan) with (ACE inhibitors) in treatment of Chronic Heart Failure
38. Effect of combination of cerebrolysin and enriched environment on anxiety-like behavior and memory deficit in a mouse model of post-traumatic stress disorder
39. The effect of Pimpinella anisum, and Myrtus communis extract on pro-oxidant-anti oxidant balance & inflammatory indices and severity of ulcerative colitis induced by acid acetic in female wistar rats
40. The effect of supplementation with organic selenium, vitamin E, and organic selenium-vitamin E on peripheral neuropathy and biochemical markers in people with melitus diabetes: factorial randomized controlled clinical trial
41. CO₂ delivery during endoscopy by using CO₂ regulator
42. Neurocognitive Impact of Anticholinergics: a Systematic Review and Meta-analyses
43. The impact of sericin on underactive bladder function
44. The impact of Mesenchymal stem cell in treatment of experimental model of neurogenic bladder
45. Prevalence of Lower urinary tract symptoms and some related factors in staff of Tabriz hospitals
46. Effect of supplementation with aroma essential oil of lavender-bergamot, and counseling based on mindfulness on serum levels of cortisol, dehydroepiandrosterone, hs-CRP, and pro-oxidant antioxidant balance in postmenopausal women with mild to moderate anxiety: A randomized controlled trial with factorial design.
47. Updating Adapted Clinical Practice Guideline of Incontinence
48. Effect of counseling based on mindfulness and aromatherapy on sexual function and anxiety in postmenopausal women: A randomized controlled trial with factorial design.

49. Guideline for Physical Therapy in patients with Stress urinary incontinence: Localization and update
